

MESA VERDE

PRESCHOOL & INFANT CENTER

Photo & Video Authorization

At Mesa Verde Preschool, we love capturing special moments as children learn, play, and celebrate together. Throughout the school year, photographs and videos may be taken during classroom activities, special events, performances, birthdays, holiday celebrations, graduation, field trips, and other preschool activities.

PLEASE SELECT ONE OF THE FOLLOWING OPTIONS:

☐

OPTION 1 – FULL PERMISSION

I give Mesa Verde Preschool permission to photograph and/or video record my child during classroom activities, school events, and preschool programs.

I understand these images and videos may be used on the preschool's official website, social media platforms, newsletters, school communications, and promotional materials.

☐

OPTION 2 – GROUP EVENTS ONLY

I do not give permission for my child to appear in routine classroom photographs or videos.

However, I understand that certain school-wide events—including holiday celebrations, birthday celebrations, graduation ceremonies, performances, family events, and other group activities—are photographed and/or video recorded.

I give permission for my child to appear only in these group photographs and videos, which may be used on the preschool's official website, social media platforms, newsletters, school communications, and promotional materials.

☐

OPTION 3 – NO PERMISSION

I do not give Mesa Verde Preschool permission to intentionally photograph or video record my child for any purpose.

I understand the preschool will make every reasonable effort to honor my request.

Important: Some school events are designed to be photographed and video recorded as a group. If you choose this option, you understand that your child may be excluded from certain performances, celebrations, or special events where photography or video recording is an integral part of the activity.

IMPORTANT INFORMATION

Children will always be photographed and represented in a respectful, positive, and age-appropriate manner.

Children's full names or personal identifying information will never be published with photographs or videos.

This authorization remains in effect for the current school year and summer program unless revoked in writing.

Parents are encouraged to follow our official preschool social media accounts to stay connected with classroom activities and special events.
